EDUCATION

- Chitkara University** Rajpura, Punjab, India
 - Bachelor of Engineering - Computer Science; GPA: 9.54* *July 2021 - June 2025*
 - Relevant Courses:** Java, Operating Systems, Data Structures, Algorithms, Linux, Networking, Databases

SKILLS SUMMARY

- Languages:** Java, JavaScript, SQL, C++
- Backend:** Node.js, Express.js, Spring Boot
- Frontend:** Next.js, React.js, Tailwind CSS, Material UI, TypeScript
- Tools:** Git, MySQL, AWS, GitHub, Redis, Docker
- Soft Skills:** Leadership, Event Management, Writing, Time Management

EXPERIENCE

- SalesCode.ai** Gurugram, India
 - Software Engineer Trainee* *July 2024 – Present*
 - Optimized Report Management:** Developed the Report Service to offload report generation from the ChannelKart backend, reducing system load and improving scalability.
 - Secure Report Access:** Implemented password protection for report downloads, enhancing security and user experience.
 - Large Dataset Handling:** Introduced a file split feature to manage large datasets efficiently, improving usability and performance.
 - Custom Reporting Solution:** Developed custom report generation capabilities, providing clients with tailored information and enabling data-driven decision making.

PROJECTS

- MERN Food Ordering App:** Built a full-stack restaurant management system with secure authentication (Auth0), payment integration (Stripe), and seamless menu management. Features include real-time order tracking, search, filters, and cart management.
Tools Used: React.js, TypeScript, Express.js, Node.js, Stripe, Cloudinary, MongoDB.
- Blog Application:** Developed a full-stack blogging platform with secure authentication, CRUD functionality, personalized feeds, and a Jodit rich text editor.
Tools Used: React, Express, Spring Boot, Spring Security, MySQL.
- iNoteBook:** A cloud-based note-taking app with authentication, sync across devices, and CRUD operations.
Tools Used: MERN (MongoDB, Express.js, React.js, Node.js).

ACHIEVEMENTS

- Solved 500+ Coding Questions:** Achieved this milestone on LeetCode and GeeksforGeeks.
- Top 100 in College on GeeksforGeeks:** Ranked among the top problem solvers in college.
- Phosphenes CodeWar:** Built a web app at a hackathon to assist farmers with agricultural challenges and weather forecasting.
- Lead Performer Rating:** Received the top performance rating for two consecutive quarters.

VOLUNTEER EXPERIENCE

- ACM Student Chapter Lead** Chitkara University, India
 - Community Lead* *Jan 2022 - 2023*
 - Training:** Conducted technical and soft-skills workshops impacting 3000+ students.
- Technical Advisor at Google Developer Student Club** Chitkara University, India
 - Tech Fest Organizer* *Jan 2023 - 2024*
 - Workshops:** Organized and delivered workshops reaching over 7000 developers.
